

# Non-Disclosure Agreements *are covering up sexual harassment*

## PUBLIC FORUM

**Thursday 2 October 5:30 - 7:30pm**

*The Jade, 142-160 Flinders St  
Adelaide, Kaurna Yarta*

Sexual harassment is a serious, widespread issue in workplaces – and **NDA's have become part of this problem**. It is difficult to stop sexual harassment if the people who experience it are prevented from talking about it. It's time for stronger action to **prevent sexual harassment** from being hidden by employers and to stop victim-survivors from being silenced.

Hear from:

- **The Hon. Katrine Hildyard MP**, Minister for Women and the Prevention of Domestic, Family and Sexual Violence
- **Sharmilla Bargon**, Co-author of *Let's Talk About Confidentiality Report* and Legal Director, Working Women's Centre NSW
- And activists with lived experience of workplace sexual harassment.

*Be sure  
to RSVP*
